- **Group II** systems include **uniVerse**, **uniData**, **Reality** (Northgate)
- **Group III** systems include **QM Professional** (Windows or Ubuntu)

## BinaryStar Systems Inc.

### Nucleus Technology™ License Renewal and Support:

There are two separate components of the BSDC maintenance and support package.  
Nucleus Annual License Renewal (which is mandatory), and Nucleus Customer Upgrade and Support

<b>Nucleus Annual License Renewal:</b>			
<b>Description</b>	<b>Group I</b>	<b>Group II</b>	<b>Group III</b>
<b>Concurrent User seats Renewal:</b> Authorizes and Enables the continuing use of Nucleus in development or run-time environments for each individual user. License Renewal fees are payable yearly for each individually licensed system, on or before the license anniversary. <b>Nucleus Annual License Renewal is MANDATORY.</b> Price is calculated at approximately 9% of the published <u>per user</u> license cost with the exception of QM. The annual license registration fee includes user-installed Nucleus licensing authorizations, documentation updates and patch sets. <ul style="list-style-type: none"> <li>• Patch-set assistance is available on a T&amp;M basis from BSDC.</li> <li>• Shipping and preparation fees are not included.</li> </ul>	\$29.25	\$33.75	\$25.00
<b>Software Development Kit Renewal.</b> Annual renewal of the Software Development Kit is mandatory at each system on which Nucleus applications are developed or modified.	\$269.55	\$449.55	\$134.55

<b>Nucleus Customer Upgrade and Support:</b>			
Customer support provides access to Nucleus upgrades and certified technicians to assist in resolving Nucleus related issues. Support contracts require that development staff members receive Nucleus training and understand the concepts of Nucleus application development in order to develop and support applications. Upgrade and Support is priced per concurrent user.			
<b>Description</b>	<b>Group I</b>	<b>Group II</b>	<b>Group III</b>
<b>Nucleus Customer Support: Standard (9-5x5 EST, Monday-Friday)</b>	\$32.50	\$37.50	\$22.70
<b>Nucleus Customer Support: Price per user. Extended (9-5x6 EST, Monday – Saturday) Sunday and Holidays Excluded.</b>	\$39.00	\$45.00	\$27.30
<b>Nucleus Premium Customer Support: price per user (24x6 Monday – Saturday) Sunday and Holidays Excluded.</b>	\$58.50	\$67.50	\$40.95
<b>Nucleus Premium Customer Support: price per user (24x7 Monday - Sunday) Holidays Excluded..</b>	\$71.50	\$82.50	\$50.00

### Application Support

Binary Star technicians are available to support Custom applications built on Nucleus platforms. Application support is not included in Nucleus support.  End-user application support, including design, development, trouble shooting and help-desk support is available from BinaryStar.	\$150.00 / hour
---	-----------------

**Notes:**

- Nucleus licensing is provided under the terms of the End User License Agreement (EULA).
- **On-site Nucleus training and developer assistance is available, worldwide, on request.**
